Dear Debbie,:

I wanted to take this opportunity to tell you that I sincerely appreciate the marvelous project that your organization completed for Access Business Centers at Spectrum Center in Dallas. I have had the pleasure of working with many companies on various projects and I must say that you and your entire team are the absolute best support resource in the industry.

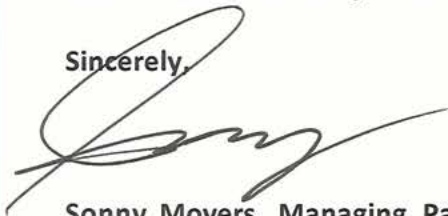

When we presented our concepts, your team reacted immediately to bring our ideas and concepts to reality. The follow-up and detail was superior. You took our business concept and provided the furniture, materials and support necessary to create an amazing facility. *Your ability to meet the exacting specifications that we required were superior.*

Your recommendations for furniture among your various product lines, and of course your innovative product **media:scape** , allowed us to construct a world-class facility that will enable our clients to reduce their cost of real estate while increasing their sales and productivity. Your understanding of our goals and concepts were demonstrated time and again.

Everyone on your team should be congratulated on a great project and facility. I will recommend your services **with enthusiasm and without reservation** . I know that we will be working with you again in the future and appreciate your professionalism and commitment to quality and execution.

Please feel free to give my contact information and this letter to anyone who would like a strong **recommendation of you and/or your company**.

Sincerely,

**Sonny Moyers, Managing Partner**
